

McKesson Practice Choice™

McKesson Practice Choice™ is a web-based, ONC-ATCB certified complete electronic health record (EHR) and practice management (PM) solution. Inspired by small independent medical offices, McKesson Practice Choice was built to suit the specific demands of smaller offices, where health professionals need to keep the medical office running smoothly while maintaining patient focus. Subscriptions start at \$249 per provider per month. See the below features associated with the package options.

SPECIAL OFFER, get McKesson Practice Choice for \$0 down and \$399 a month*.
